ARTISTS' RESIDENCY

Arte Association's Sumu Artists' Residency offers one- to three-month residencies in 2009 to new media artists, working in the intersection of new technologies and contemporary art.

The arts centre is located in Turku, in the Southwestern coast of Finland. Artists are provided with free accommodation and studio, and a possibility of exhibiting their work either in Arte's gallery Titanik, or on our website. The studio is adjoined to the gallery Titanik, run by Arte. The artists must fund all their living expenses including food and transportation. Arte can help the artists with material costs depending on the application.
